

Deluxe Palm Cover

New fleece lined lightweight palm cover. Designed to allow full finger movement whilst reducing finger contractures and skin damage / breakdown in the palmar region.

Provides a cushioning pad for the fingers to curl onto, preventing the finger tips / nails from digging into the palms, whilst also keeping the fingers supported. One size fits all.

- + Relief from curling fingers
- + Hand contractures / cramping
- + Protects against skin breakdown, ulcers and fungal infections.
- + Promotes hygiene and adjustable comfort.
