

Handy Iron & Iron Mat

The small, narrow iron is low-profile and trowel-shaped, perfect for applying iron-on tapes and fasteners. Heats from 66° to 199°C, in 90 seconds. Temperature dial is on the handle for easy reference. Includes a sock cover and a sturdy metal stand for safe storage. The Iron Mat protects surfaces while ironing. Sewn-in vapor barrier prevents steam damage to tabletops.
