

Jura Palm Protector

Fleece lined lightweight palm cover.
Designed to allow full finger movement
whilst reducing finger contractures and skin
damage/breakdown in the palmar region.
The Jura Palm Cover is easily laundered
and is easily applied using hook/loop
fastening.

Provides wrist and thumb support for an
array of injuries, conditions, pre-and post-
operations such as:

- + Dupuytren's disease
- + Dupuytren contracture
- + Post-operative recovery
- + Palmar fibromatosis
- + Palmar fasciitis
- + Loss of finger control
- + Strokes
- + Involuntary movement
- + Trigger finger

Easy to apply thanks to the simple and secure hook and loop fastening.

Lightweight and comfortable palm cover, with a high quality fleece lining.

Helps prevent skin damage and breakdown, while reducing finger contracture and protecting the palm.
