

# Juraprene Wrist Thumb Wrap

A latex free neoprene with terry plush lining makes this a very comfortable support. Full finger flexion whilst giving good circumferential compression and support to the wrist and thumb. The wrap is easily fastened using hook and loop closures. Fits either left or right hand and can be trimmed in areas for a custom fit.

Provides wrist and thumb support for an array of injuries, conditions, pre-and post-operations such as:

- + Arthritis
- + Sprains and strains
- + Soft tissue injuries and conditions
- + Instability
- + Post fracture management

The latex free neoprene with plush lining allows for good circumferential compression while allowing full finger flexion.

Available in a choice of three colours; beige, black and blue.

Fits left or right hand and can be trimmed in areas for a custom fit.
