

# Jura Wrist Brace

Dual compression elastic for improved support and fit. A two-piece brace with longitudinal seam conforms perfectly to the wrist, hand and forearm. Hard wearing webbing bar casing with aluminium palmar bar. Hook/loop fastening.

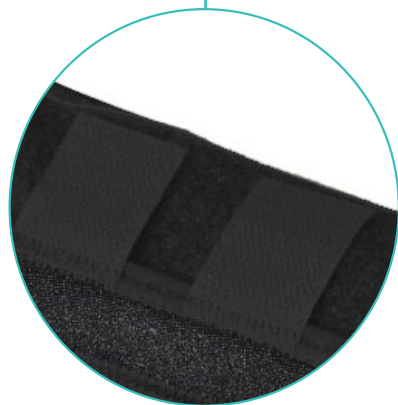

Provides wrist and thumb support for an array of injuries, conditions, pre-and post-operations such as:

- + Arthritis
- + Carpal tunnel syndrome
- + Chronic irritation
- + Fractured wrists
- + General weakness
- + Sprained wrists
- + Tendonitis
- + Wrist instability
- + Wrist trauma

Made from dual compression elastic for a great fit. The two-piece brace with a longitudinal seam and Neoprene fabric is breathable and comfortable against the skin.

Hook and loop fastenings make it easy to apply and remove.
