

Maternity Belt Style B

This Maternity Belt has a cut away design at the front, providing comfort when sitting and preventing the belt from rolling up. It's angled posterior seams give improved shaping around the sacrum.

Made in stronger lenoweave elastic/cotton mix for extra support. Back depth 20cm, front depth 17cm.

Also available in black.

Code (White)	Code (Black)	Circumference (at widest part of abdomen)
