

Wrist Wrap

This comfortable and supportive Wrist Wrap is made from an insulating material that helps with arthritic conditions by providing soothing warmth to your wrist and hand. This excellent value wrist support also provides gentle compression that improves circulation and reduces swelling.

Provides wrist and thumb support for an array of injuries, conditions, pre-and post-operations such as:

- + Arthritis
- + Skier's Thumb
- + Sprains and strains
- + Soft tissue injuries and conditions
- + Instability
- + Post fracture management

The universal and adjustable design means it will fit either hand of most users, and can be easily applied with one hand.
